**July 7, 2008, Norristown, PA** – Four architects with BartonPartners in Norristown, PA, recently obtained registration in their profession in Pennsylvania. Registration as an architect or a landscape architect recognizes expertise and experience in the field, as judged by both national and state examining boards.

**Douglas Olsen, RLA, LEED® AP** became a Registered Landscape Architect in Pennsylvania. Doug, a resident of Ambler, PA, is a Land Planner and Project Manager at BartonPartners and has been involved in many complex development and reuse projects in Pennsylvania, New Jersey, and New York. He holds Masters degrees in Architecture and Landscape Architecture from the University of Pennsylvania.

**Jennifer P. Jones, RA, LEED® AP** is registered as an architect in Pennsylvania. She is a Project Coordinator at BartonPartners, working on residential and mixed use projects in Pennsylvania, New York and New Jersey. Jennifer has a Bachelors degree in Architecture from Auburn University in Alabama; she lives in Horsham, PA. Like Doug Olsen, she is accredited by the US Green Building Council as a LEED (Leadership in Energy and Environmental Design) professional.

**Melissa J. Smithers, AIA, RA** of King of Prussia obtained registration as an architect in Pennsylvania. A Project Coordinator at BartonPartners, she has worked on residential, commercial, active adult and mixed use projects in Pennsylvania, New Jersey, New York, Massachusetts and Virginia. Melissa is holds a Bachelor of Architecture from Syracuse University.

**Jason Wistreich, RA** is an Architectural Designer at BartonPartners and became a registered architect in Pennsylvania. A resident of Plymouth Meeting, he has focused his work on design and management of residential and commercial projects in Pennsylvania and North Carolina. He earned a Bachelors of Architecture from Philadelphia University.

## About the Firm

BartonPartners is a fully integrated architectural and planning firm, recognized nationally for its innovations in design, with a staff of nearly sixty architects, planners, designers, and landscape designers. Founded in 1990 and committed to facilitating conscientious development, the practice originated in residential development in the Middle Atlantic region, and has evolved to include mixed-use and transit-oriented design, commercial and retail architecture, single- and multi-family projects, 50+ lifestyle communities, adaptive reuse and rehabilitation of existing structures, and urban infill development throughout the United States.
