### For Immediate Release

### **BartonPartners Welcomes David M. Stembel III, AIA, LEED® AP to the Firm**

**April, 2008 – Norristown.** BartonPartners Architects Planners, Inc. is pleased to announce David M. Stembel III, AIA, LEED® AP has joined the Firm as a Senior Project Manager. Mr. Stembel brings over 25 years of experience in senior living and affordable housing planning and design. Additionally, Mr. Stembel will be the firm's fifth LEED Accredited Professional.

“David is a welcome addition to our growing firm,” said Thomas C. Barton, III AIA, Principal. “We are delighted to add his expansive resume of award-winning planning and design to BartonPartners.”

Prior to joining BartonPartners, Mr. Stembel was a Senior Associate with WRT, where he was the housing and community design group leader responsible for design collaboration and management of award-winning mixed-income communities, assisted living and continuing care retirement communities, as well as HOPE VI redevelopment projects.

A registered architect in Pennsylvania, Mr. Stembel earned his undergraduate degree at Temple University in 1983. He is a LEED® Accredited Professional and is a Member of the Delaware Valley Green Building Council. Mr. Stembel also serves as a guest lecturer on housing and community design at Drexel and Temple Universities.

### **About the Firm:**

BartonPartners is a full-service integrated architecture and planning firm with a staff of nearly sixty architects, planners, designers, and landscape designers. Founded in 1990, the practice originated in residential development in the Middle Atlantic region, and has evolved to include land planning, urban infill, mixed-use and transit-oriented design, and commercial, office and retail architecture in addition to single- and multi-family projects, 50+ lifestyle communities, adaptive reuse and rehabilitation of existing structures, throughout the United States. The firm has a growing portfolio of office, institutional, and community-based projects.
