For Immediate Release

### **BartonPartners Welcomes Justin Martino, AIA, LEED® AP**

**Justin Martino, AIA, LEED® AP**

**June 2009, Norristown, PA** –**BartonPartners** Architects Planners Inc. is pleased to welcome Justin Martino, AIA, LEED® AP to the firm. With degrees from Harvard College and the University of Pennsylvania, and with planning and design skills developed at previous firms, Mr. Martino brings over 15 years of experience in Mixed-Use, Transit-Oriented, and Commercial design within the Baltimore-Washington corridor and Philadelphia region. Justin has previously served as a main point-of-contact for clients and as one of the key planners and designers for previous firms. Justin is the firm's tenth LEED® Accredited Professional.

An active participant in the industry and architecture community, Justin maintains membership with the Urban Land Institute, International Council of Shopping Centers, Home Builders Association of Maryland, Northern Virginia Building Industry Association, National Association of Home Builders, HBA Bucks / Montgomery Counties, American Institute of Architects, and the Congress for New Urbanism. Mr. Martino has served as a speaker at several events and conferences as an expert in the industry.

Mr. Martino serves as an Admissions Interviewer and Member for the Harvard-Radcliffe Club (Schools and Scholarship Committee) and serves as a volunteer and host for the Fresh Air Fund. Justin is registered in MD, PA, VA, DC, and Washington State.

#### About the Firm

BartonPartners is a fully integrated architectural and planning firm, recognized nationally for its innovations in design, with a staff of 45+ architects, planners, designers, and landscape designers. Founded in 1990 and committed to facilitating conscientious development, the practice originated in residential development in the Middle Atlantic region, and has evolved to include mixed-use and transit-oriented design, commercial and retail architecture, single- and multi-family projects, 50+ lifestyle communities, adaptive reuse and rehabilitation of existing structures, and urban infill development throughout the United States.

For more information on BartonPartners, call 610-930-2800 and visit [www.bartonpartners.com](http://www.bartonpartners.com).
